P.R. Environmental Quality Board  
Box 11488  
San Juan, Puerto Rico 00910

Dear Chairman Nieves:

I think our meeting on Tuesday was very productive and helped us to focus on our shared priorities.

One of those priorities is the restoration of EQB's solid waste landfill regulations to conformance with the federal Part 258 requirements. To assist you in this effort, I am enclosing another copy of both the summary report and the side by side comparison of EQB's originally approved program regulations with the changes made to those regulations in 1997 and the current federal requirements.

If you have any questions or if we may be of further assistance in this regard, please let me know or have your staff contact Adolph Everett, Chief of our RCRA Programs Branch, at 212-637-4109.

Sincerely Yours
